children and their families**

Welcome To AppleBerries

Here at AppleBerries Burnside, we strive to not only understand and guide your child's development, but to, recognise your child's emerging heart and spirit. Educators at AppleBerries are committed to supporting the discovery of your child's unique personality in all of its richness and depth.

Our Educators act with genuine positivity, pride and energy and go out of their way to deliver exceptional Education and Care that goes above and beyond the ordinary. We acknowledge that all children have the right to feel as a unique, respected and valued part of an intricate and diverse family.

Our rich outdoor environment is an essential part of the Education and care we provide. Our educators work to provide meaningful outdoor experiences that foster children's understanding of the world around them by offering opportunities to get messy, explore, investigate, risk take, problem solve, communicate and exercise resilience.

AppleBerries dreams to provide a safe, secure, sanctuary filled with love, laughter and learning for all children and their families.

***We are a home away from home for
children and their families!***

Our Programs

AppleBerries Early Education Service Burnside offers a renewed approach to education that works at catering for the emotional, physical, cognitive and spiritual needs of each child in their care.

Your CCS will be paid from the date of **approval** with Centrelink. If your child attends before your CCS is approved you may be required to pay full fees as CCS will not be backdated by Centrelink. If for any reason you are not eligible for CCS payments, you will be charged full fees for days that your child attends.

In order to receive CCS, **parents must sign every child in and out EVERYDAY** they attend the Centre.

To receive CCS for a child's absence, a record must be made of the reason for the absence. Upon your child's return to the centre please confirm and accept the electronic absence on the Kiosk and provide your medical certificate to the Service Manager if applicable.

Join Us On Storypark

Our Educators and Teachers use the Early Years Learning Framework and the Queensland Kindergarten Learning Guidelines to make informed curriculum decisions to support your child's emerging interests, ideas and development.

Our learning programs aim to empower your child to express ideas and make choices about their learning. Your child's learning journey is recorded and shared, with you, via storypark.

We encourage you to use the platform to reflect on and contribute to your child's learning. You will be invited to access your child's online learning profile. Once you have done so, you will be able to invite any family or friends to join the community.
